§ 124.520  What are the rules governing SBA’s Mentor/Protégé program?

(a) General. The mentor/protégé program is designed to encourage approved mentors to provide various forms of business development assistance to protégé firms. This assistance may include technical and/or management assistance; financial assistance in the form of equity investments and/or loans; subcontracts; and/or assistance in performing prime contracts with the Government through joint venture arrangements. Mentors are encouraged to provide assistance relating to the performance of non-8(a) contracts so that protégé firms may more fully develop their capabilities. The purpose of the mentor/protégé relationship is to enhance the capabilities of the protégé, assist the protégé with meeting the goals established in its SBA-approved business plan, and to improve its ability to successfully compete for contracts.

(b) Mentors. Any concern or non-profit entity that demonstrates a commitment and the ability to assist developing 8(a) Participants may act as a mentor and receive benefits as set forth in this section. This includes businesses that have graduated from the 8(a) BD program, firms that are in the transitional stage of program participation, other small businesses, and large businesses.

(1) In order to qualify as a mentor, a concern must demonstrate that it:
   (i) Possesses favorable financial health;
   (ii) Possesses good character;
   (iii) Does not appear on the federal list of debarred or suspended contractors; and
   (iv) Can impart value to a protégé firm due to lessons learned and practical experience gained because of the 8(a) BD program, or through its knowledge of general business operations and government contracting.

(2) Generally a mentor will have no more than one protégé at a time. However, the AA/BD may authorize a concern or non-profit entity to mentor more than one protégé at a time when it can demonstrate that the additional mentor/protégé relationship will not adversely affect the development of either protégé firm (e.g., the second firm may not be a competitor of the first firm). Under no circumstances will a mentor be permitted to have more than three protégés at one time.

(3) In order to demonstrate its favorable financial health, a firm seeking to be a mentor must submit to SBA for review copies of the Federal tax returns it submitted to the IRS, or audited financial statements, including any notes, or in the case of publicly traded concerns the filings required by the Securities and Exchange Commission for the past three years.

(4) Once approved, a mentor must annually certify that it continues to possess good character and a favorable financial position.

(c) Protégés. (1) In order to initially qualify as a protégé firm, a Participant must:
   (i) Be in the developmental stage of program participation; or
   (ii) Have never received an 8(a) contract; or
   (iii) Have a size that is less than half the size standard corresponding to its primary NAICS code.

(2) Only firms that are in good standing in the 8(a) BD program (e.g., firms that do not have termination or suspension proceedings against them, and are up to date with all reporting requirements) may qualify as a protégé.

(3) A protégé firm may generally have only one mentor at a time. The AA/BD may approve a second mentor for a particular protégé firm when:
   (i) The second relationship pertains to an unrelated, secondary NAICS code;
   (ii) The protégé firm is seeking to acquire a specific expertise that the first mentor does not possess; and
   (iii) The second relationship will not compete or otherwise conflict with the business development assistance set forth in the first mentor/protégé relationship.

(4) A protégé may not become a mentor and retain its protégé status. The protégé must terminate its mentor/
§ 124.520

protege agreement with its mentor before it will be approved as a mentor to another 8(a) Participant.

(5) SBA will not approve a mentor/protege relationship for an 8(a) Participant with less than six months remaining in its program term.

(d) Benefits. (1) A mentor and protege may joint venture as a small business for any government prime contract or subcontract, including procurements with a dollar value less than half the size standard corresponding to the assigned NAICS code and 8(a) sole source contracts, provided the protege qualifies as small for the procurement and, for purposes of 8(a) sole source requirements, the protege has not reached the dollar limit set forth in §124.519.

(i) SBA must approve the mentor/protege agreement before the two firms may submit an offer as a joint venture on a particular government prime contract or subcontract in order for the joint venture to receive the exclusion from affiliation.

(ii) In order to receive the exclusion from affiliation for both 8(a) and non-8(a) procurements, the joint venture must meet the requirements set forth in §124.513(c).

(iii) Once a protege firm graduates from or otherwise leaves the 8(a) BD program, it will not be eligible for any further benefits from its mentor/protege relationship (i.e., the receipts and/or employees of the protege and mentor will generally be aggregated in determining size for any joint venture between the mentor and protege after the protege leaves the 8(a) BD program). Leaving the 8(a) BD program, or terminating the mentor/protege relationship while a protege firm is still in the program, does not, however, affect contracts previously awarded to a joint venture between the protege and its mentor. In such a case, the joint venture continues to qualify as small for previously awarded contracts and is obligated to continue performance on those contracts.

(2) Notwithstanding the requirements set forth in §§124.105(g) and (h), in order to raise capital for the protege firm, the mentor may own an equity interest of up to 40% in the protege firm.

(3) Notwithstanding the mentor/protege relationship, a protege firm may qualify for other assistance as a small business, including SBA financial assistance.

(4) No determination of affiliation or control may be found between a protege firm and its mentor based on the mentor/protege agreement or any assistance provided pursuant to the agreement.

(e) Written agreement. (1) The mentor and protege firms must enter a written agreement setting forth an assessment of the protege’s needs and providing a detailed description and timeline for the delivery of the assistance the mentor commits to provide to address those needs (e.g., management and/or technical assistance, loans and/or equity investments, cooperation on joint venture projects, or subcontracts under prime contracts being performed by the mentor). The mentor/protege agreement must:

(i) Address how the assistance to be provided through the agreement will help the protege firm meet the goals established in its SBA-approved business plan;

(ii) Establish a single point of contact in the mentor concern who is responsible for managing and implementing the mentor/protege agreement; and

(iii) Provide that the mentor will provide such assistance to the protege firm for at least one year.

(2) The written agreement must be approved by the AA/BD. The agreement will not be approved if SBA determines that the assistance to be provided is not sufficient to promote any real developmental gains to the protege, or if SBA determines that the agreement is merely a vehicle to enable the mentor to receive 8(a) contracts.

(3) The agreement must provide that either the protege or the mentor may terminate the agreement with 30 days advance notice to the other party to the mentor/protege relationship and to SBA.

(4) SBA will review the mentor/protege relationship annually to determine whether to approve its continuation for another year.

(5) SBA must approve all changes to a mentor/protege agreement in advance.
(f) Decision to decline mentor/protégé relationship. (1) Where SBA declines to approve a specific mentor/protégé agreement, the protégé may request the AA/BD to reconsider the Agency’s initial decline decision by filing a request for reconsideration with its servicing SBA district office within 45 calendar days of receiving notice that its mentor/protégé agreement was declined. The protégé may revise the proposed mentor/protégé agreement and provide any additional information and documentation pertinent to overcoming the reason(s) for the initial decline to its servicing district office.

(2) The AA/BD will issue a written decision within 45 calendar days of receipt of the protégé’s request. The AA/BD may approve the mentor/protégé agreement, deny it on the same grounds as the original decision, or deny it on other grounds. If denied, the AA/BD will explain why the mentor/protégé agreement does not meet the requirements of §124.520 and give specific reasons for the decline.

(3) If the AA/BD declines the mentor/protégé agreement solely on issues not raised in the initial decline, the protégé can ask for reconsideration as if it were an initial decline.

(4) If SBA’s final decision is to decline a specific mentor/protégé agreement, the 8(a) firm seeking to be a protégé cannot attempt to enter another mentor/protégé relationship with the same mentor for a period of 60 calendar days from the date of the final decision. The 8(a) firm may, however, submit another proposed mentor/protégé agreement with a different proposed mentor at any time after the SBA’s final decline decision.

(g) Evaluating the mentor/protégé relationship. (1) In its annual business plan update required by §124.403(a), the protégé must report to SBA for the protégé’s preceding program year:

(i) All technical and/or management assistance provided by the mentor to the protégé;

(ii) All loans to and/or equity investments made by the mentor in the protégé;

(iii) All subcontracts awarded to the protégé by the mentor, and the value of each subcontract;

(iv) All federal contracts awarded to the mentor/protégé relationship as a joint venture (designating each as an 8(a), small business set aside, or unrestricted procurement), the value of each contract, and the percentage of the contract performed and the percentage of revenue accruing to each party to the joint venture; and

(v) A narrative describing the success such assistance has had in addressing the developmental needs of the protégé and addressing any problems encountered.

(2) The protégé must report the mentoring services it receives by category and hours.

(3) The protégé must annually certify to SBA whether there has been any change in the terms of the agreement.

(4) SBA will review the protégé’s report on the mentor/protégé relationship as part of its annual review of the firm’s business plan pursuant to §124.403. SBA may decide not to approve continuation of the agreement if it finds that the mentor has not provided the assistance set forth in the mentor/protégé agreement or that the assistance has not resulted in any material benefits or developmental gains to the protégé.

(h) Consequences of not providing assistance set forth in the mentor/protégé agreement. (1) Where SBA determines that a mentor has not provided to the protégé firm the business development assistance set forth in its mentor/protégé agreement, SBA will notify the mentor of such determination and afford the mentor an opportunity to respond. The mentor must respond within 30 days of the notification, explaining why it has not provided the agreed upon assistance and setting forth a definitive plan as to when it will provide such assistance. If the mentor fails to respond, does not supply adequate reasons for its failure to provide the agreed upon assistance, or does not set forth a definite plan to provide the assistance:

(i) SBA will terminate its mentor/protégé agreement;

(ii) The firm will be ineligible to again act as a mentor for a period of two years from the date SBA terminates the mentor/protégé agreement; and
§ 124.601 What reports does SBA require concerning parties who assist Participants in obtaining federal contracts?

(a) Each Participant must submit semi-annually a written report to its assigned BOS that includes a listing of any agents, representatives, attorneys, accountants, consultants and other parties (other than employees) receiving fees, commissions, or compensation of any kind to assist such Participant in obtaining or seeking to obtain a Federal contract. The listing must indicate the amount of compensation paid and a description of the activities performed for such compensation.

(b) Failure to submit the report is good cause for the initiation of a termination proceeding pursuant to §§124.303 and 124.304.

§ 124.602 What kind of annual financial statement must a Participant submit to SBA?

(a) Except as set forth in paragraph (a)(1) of this section, Participants with gross annual receipts of more than $10,000,000 must submit to SBA audited annual financial statements prepared by a licensed independent public accountant within 120 days after the close of the concern’s fiscal year.

1. Participants with gross annual receipts of more than $10,000,000 which are owned by a Tribe, ANC, NHO, or CDC may elect to submit unaudited financial statements within 120 days after the close of the concern’s fiscal year, provided the following additional documents are submitted simultaneously:

   (i) Audited annual financial statements for the parent company owner of the Participant, prepared by a licensed independent public accountant, for the equivalent fiscal year;

   (ii) Certification from the Participant’s Chief Executive Officer and Chief Financial Officer (or comparable positions) that each individual has read the unaudited financial statements, affirms that the statements do not contain any material misstatements, and certifying that the statements fairly represent the Participant’s financial condition and result of operations.

2. In the first year that a Participant’s gross receipts exceed $10,000,000, a Participant may provide an audited balance sheet, with the income and cash flow statements receiving the level of service required for the previous year (review or none, depending on sales the year before the audit is required).

3. The servicing SBA District Director may waive the requirement for audited financial statements for good cause shown by the Participant.

(c) Circumstances where waivers of audited financial statements may be granted include, but are not limited to, the following:

   (i) The concern has an unexpected increase in sales towards the end of its fiscal year that creates an unforeseen requirement for audited statements;

   (ii) The concern unexpectedly experiences severe financial difficulties which would make the cost of audited financial statements a particular burden; and

   (iii) The concern has been a Participant less than 12 months.

(b)(1) Participants with gross annual receipts between $2,000,000 and
