price for a requirement that has a satisfactory procurement history on recent award prices adjusted to ensure comparability. Adjustments will take into account differences in quantities, performance, times, plans, specifications, transportation costs, packaging and packing costs, labor and material costs, overhead costs, and any other additional costs which may be appropriate.

(b) Upon the request of SBA, a procuring activity will provide to SBA a written statement detailing the method it has used to estimate the current fair market price for the 8(a) requirement. This statement must be submitted within 10 working days of SBA’s request. The procuring activity must identify the information, studies, analyses, and other data it used in making its estimate.

(c) The procuring activity’s estimate of fair market price and any supporting data may not be disclosed by SBA to any Participant or potential contractor.

(d) The concern selected to perform an 8(a) contract may request SBA to protest the procuring activity’s estimate of current fair market price to the Secretary of the Department or head of the agency in accordance with §124.505.

§124.513 Under what circumstances can a joint venture be awarded an 8(a) contract?

(a) General. (1) If approved by SBA, a Participant may enter into a joint venture agreement with one or more other small business concerns, whether or not 8(a) Participants, for the purpose of performing one or more specific 8(a) contracts.

(b) Size of concerns to an 8(a) joint venture.

(1) A joint venture of at least one 8(a) Participant and one or more other business concerns may submit an offer as a small business for a competitive 8(a) procurement so long as each concern is small under the size standard corresponding to the NAICS code assigned to the contract, provided:

(i) The size of at least one 8(a) Participant to the joint venture is less than one half the size standard corresponding to the NAICS code assigned to the contract; and

(ii)(A) For a procurement having a revenue-based size standard, the procurement exceeds half the size standard corresponding to the NAICS code assigned to the contract; or

(B) For a procurement having an employee-based size standard, the procurement exceeds $10 million;

(2) For sole source and competitive 8(a) procurements that do not exceed the dollar levels identified in paragraph (b)(1) of this section, an 8(a) Participant entering into a joint venture agreement with another concern is
considered to be affiliated for size purposes with the other concern with respect to performance of the 8(a) contract. The combined annual receipts or employees of the concerns entering into the joint venture must meet the size standard for the NAICS code assigned to the 8(a) contract.

(3) Notwithstanding the provisions of paragraph (b)(1) and (b)(2) of this section, a joint venture between a protege firm and its approved mentor (see §124.520) will be deemed small provided the protege qualifies as small for the size standard corresponding to the NAICS code assigned to the procurement and has not reached the dollar limit set forth in §124.519.

(c) Contents of joint venture agreement. Every joint venture agreement to perform an 8(a) contract, including those between mentors and proteges authorized by §124.520, must contain a provision:

(1) Setting forth the purpose of the joint venture;

(2) Designating an 8(a) Participant as the managing venturer of the joint venture. In an unpopulated joint venture or a joint venture populated only with administrative personnel, the joint venture must designate an employee of the 8(a) managing venturer as the project manager responsible for performance of the contract. In a joint venture populated with individuals intended to perform any contracts awarded to the joint venture, the joint venture must otherwise demonstrate that performance of the contract is controlled by the 8(a) managing venturer;

(3) Stating that with respect to a separate legal entity joint venture the 8(a) Participant(s) must own at least 51% of the joint venture entity;

(4) Stating that the 8(a) Participant(s) must receive profits from the joint venture commensurate with the work performed by the 8(a) Participant(s), or in the case of a separate legal entity joint venture commensurate with their ownership interests in the joint venture;

(5) Providing for the establishment and administration of a special bank account in the name of the joint venture. This account must require the signature of all parties to the joint venture or designees for withdrawal purposes. All payments due the joint venture for performance on an 8(a) contract will be deposited in the special account; all expenses incurred under the contract will be paid from the account as well;

(6) Itemizing all major equipment, facilities, and other resources to be furnished by each party to the joint venture, with a detailed schedule of cost or value of each;

(7) Specifying the responsibilities of the parties with regard to negotiation of the contract, source of labor, and contract performance, including ways that the parties to the joint venture will ensure that the joint venture and the 8(a) partner(s) to the joint venture will meet the performance of work requirements set forth in paragraph (d) of this section.

(8) Obligating all parties to the joint venture to ensure performance of the 8(a) contract and to complete performance despite the withdrawal of any member;

(9) Designating that accounting and other administrative records relating to the joint venture be kept in the office of the 8(a) Participant managing venturer, unless approval to keep them elsewhere is granted by the District Director or his/her designee upon written request;

(10) Requiring the final original records be retained by the 8(a) Participant managing venturer upon completion of the 8(a) contract performed by the joint venture;

(11) Stating that quarterly financial statements showing cumulative contract receipts and expenditures (including salaries of the joint venture’s principals) must be submitted to SBA not later than 45 days after each operating quarter of the joint venture; and

(12) Stating that a project-end profit and loss statement, including a statement of final profit distribution, must be submitted to SBA no later than 90 days after completion of the contract.

(d) Performance of work. (1) For any 8(a) contract, including those between mentors and protégés authorized by §124.520, the joint venture must perform the applicable percentage of work required by §124.510. For an unpopulated joint venture or a joint venture...
Small Business Administration § 124.513

populated only with one or more administrative personnel, the 8(a) partner(s) to the joint venture must perform at least 40% of the work performed by the joint venture. The work performed by 8(a) partners to a joint venture must be more than administrative or ministerial functions so that they gain substantive experience. For a joint venture populated with individuals intended to perform contracts awarded to the joint venture, each 8(a) Participant to the joint venture must demonstrate what it will gain from performance of the contract and how such performance will assist in its business development.

(2)(i) In an unpopulated joint venture, where both the 8(a) and non-8(a) partners are technically subcontractors, the amount of work done by the partners will be aggregated and the work done by the 8(a) partner(s) must be at least 40% of the total done by all partners. In determining the amount of work done by a non-8(a) partner, all work done by the non-8(a) partner and any of its affiliates at any subcontracting tier will be counted.

(ii) In a populated joint venture, a non-8(a) joint venture partner, or any of its affiliates, may not act as a subcontractor to the joint venture awardee, or to any other subcontractor of the joint venture, unless the AA/BD determines that other potential subcontractors are not available, or the joint venture is populated only with administrative personnel.

(A) If a non-8(a) joint venture partner seeks to do more work, the additional work must generally be done through the joint venture, which would require the 8(a) partner(s) to the joint venture to also do additional work to meet the 40% requirement set forth in paragraph (d)(1) of this section.

(B) If a joint venture is populated only with administrative personnel, the joint venture may subcontract performance to a non-8(a) joint venture partner provided it also subcontracts work to the 8(a) partner(s) in an amount sufficient to meet the 40% requirement. The amount of work done by the partners will be aggregated and the work done by the 8(a) partner(s) must be at least 40% of the total done by all partners. In determining the amount of work done by a non-8(a) partner, all work done by the non-8(a) partner and any of its affiliates at any subcontracting tier will be counted.

(e) Prior approval by SBA. (1) SBA must approve a joint venture agreement prior to the award of an 8(a) contract on behalf of the joint venture.

(2) Where a joint venture has been established and approved by SBA for one 8(a) contract, a second or third 8(a) contract may be awarded to that joint venture provided an addendum to the joint venture agreement, setting forth the performance requirements on that second or third contract, is provided to and approved by SBA prior to contract award.

(i) After approving the structure of the joint venture in connection with the first contract, SBA will review only the addendums relating to performance of work on successive contracts.

(ii) SBA must approve the addendums prior to the award of any successive 8(a) contract to the joint venture.

(f) Contract execution. Where SBA has approved a joint venture, the procuring activity will execute an 8(a) contract in the name of the joint venture entity.

(g) Amendments to joint venture agreement. All amendments to the joint venture agreement must be approved by SBA.

(h) Inspection of records. SBA may inspect the records of the joint venture without notice at any time deemed necessary.

(i) Performance of work reports. An 8(a) Participant to a joint venture must describe how it is meeting or has met the applicable performance of work requirements for each 8(a) contract it performs as a joint venture.

(1) As part of its annual review, the 8(a) Participant(s) to the joint venture must explain for each 8(a) contract it performed during the year how the performance of work requirements are being met for the contract.

(2) At the completion of every 8(a) contract awarded to a joint venture, the 8(a) Participant(s) to the joint venture must submit a report to the local SBA district office explaining how the
§ 124.514 Exercise of 8(a) options and modifications.

(a) Unpriced options. The exercise of an unpriced option is considered to be a new contracting action.

(1) If a concern has graduated or been terminated from the 8(a) BD program or is no longer small under the size standard corresponding to the NAICS code for the requirement, negotiations to price the option cannot be entered into and the option cannot be exercised.

(2) If the concern is still a Participant and otherwise eligible for the requirement on a sole source basis, the procuring activity contracting officer may negotiate price and exercise the option provided the option, considered a new contracting action, meets all regulatory requirements, including the procuring activity’s offering and SBA’s acceptance of the requirement for the 8(a) BD program.

(3) If the estimated fair market price of the option exceeds the applicable threshold amount set forth in §124.506, the requirement must be competed as a new contract among eligible Participants.

(b) Priced options. The procuring activity contracting officer may exercise a priced option to an 8(a) contract whether the concern that received the award has graduated or been terminated from the 8(a) BD program or is no longer eligible if to do so is in the best interests of the Government.

§ 124.515 Can a Participant change its ownership or control and continue to perform an 8(a) contract, and can it transfer performance to another firm?

(a) An 8(a) contract must be performed by the Participant that initially received it unless a waiver is granted under paragraph (b) of this section.

(1) An 8(a) contract, whether in the base or an option year, must be terminated for the convenience of the Government if:

(i) One or more of the individuals upon whom eligibility for the 8(a) BD program was based relinquishes or enters into any agreement to relinquish ownership or control of the Participant such that the Participant would no longer be controlled or at least 51% owned by disadvantaged individuals; or

(ii) The contract is transferred or novated for any reason to another firm.

(2) The procuring activity may not assess repurchase costs or other damages against the Participant due solely to the provisions of this section.

(b) The SBA Administrator may waive the requirements of paragraph (a)(1) of this section if requested to do so by the 8(a) contractor when:

(1) It is necessary for the owners of the concern to surrender partial control of such concern on a temporary basis in order to obtain equity financing;

(2) Ownership and control of the concern that is performing the 8(a) contract will pass to another Participant, but only if the acquiring firm would otherwise be eligible to receive the award directly as an 8(a) contract;

(3) Any individual upon whom eligibility was based is no longer able to exercise control of the concern due to physical or mental incapacity or death;

(4) The head of the procuring agency, or an official with delegated authority from the agency head, certifies that termination of the contract would severely impair attainment of the agency’s program objectives or missions; or

(5) It is necessary for the disadvantaged owners of the initial 8(a) awardee to relinquish ownership of a majority of the voting stock of the concern in
